

Dear Professor,

I hope you are doing well.

I am writing to respectfully request an extension for the submission of my assignment. I understand the importance of adhering to deadlines; however, due to some unavoidable circumstances, I have been unable to complete the assignment to the standard I aim to maintain.

Over the past few days, I have been managing multiple academic responsibilities along with some personal constraints, which has affected my ability to dedicate sufficient time and focus to this assignment. I strongly believe in submitting quality work that reflects my understanding of the subject, and at present, I feel that my work does not meet that standard.

Therefore, I kindly request you to grant me an extension of a few days so that I can properly complete and refine my assignment. I assure you that I will make the best use of the additional time and submit it as soon as possible.

I sincerely apologize for any inconvenience caused and truly appreciate your understanding and support.

Thank you for your time and consideration.

Yours sincerely,

Shandilya Gupta
